Engaging Families and Community

Communicating and working with parents

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

Parent Participation Rates

The percentage of students in the school whose parents responded to the SALT Survey.

Parents

Percent who agree or strongly agree:

- Contacts me if my child does something well or improves
- Contacts me if my child is having a problem
- Responds to my concerns and requests within a reasonable time

Teachers

Percent who say they are satisfied or very satisfied with:

- Has a parent-teacher conference with me
- Asks me to volunteer at the school

Students

Percent who report that:

- They are home unsupervised 3 or more hours a day, 3 or more days a week.

What Teachers Say

Percent of teachers who agree or strongly agree:

- Parental involvement in school governance is essential to effective education.
- Teachers on their team or grade level maintain positive relationships with students’ parents.
- Two-way communication between home and school is essential to effective education.

What Parents Say

Percent of parents who report that the school does well:

- Too few responses to report

Teacher practices and attitudes

Percent who report that at least weekly:

- They meet with individual parents to solve problems and provide assistance.

- Too few responses to report

Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.
