Parents and guardians are a school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

**Community support**

This school

R.I. elementary schools

The percentage of students in the school whose parents responded to the [SALT Survey](https://www.infoworks.ride.uri.edu). The graph shows a comparison between this school and R.I. elementary schools over the years 2005-06, 2006-07, and 2007-08.

**Parents**

Percent who agree or strongly agree:

- That the community supports this school.

**Teachers**

Percent who say they are satisfied or very satisfied with:

- The extent to which parents and the community are supportive of the school and its program.

**Students**

Percent who report that:

- They are home unsupervised 3 or more hours a day, 3 or more days a week.

**What Teachers Say**

Percent of teachers who agree or strongly agree:

- Parental involvement in school governance is essential to effective education.

**What Parents Say**

Percent of parents who report that the school does well:

- Contacts me if my child does something well or improves
- Contacts me if my child is having a problem
- Responds to my concerns and requests within a reasonable time
- Has a parent-teacher conference with me
- Asks me to volunteer at the school

**Teacher practices and attitudes**

Percent who report that at least weekly:

- They meet with individual parents to solve problems and provide assistance.

Percent who report they agree or strongly agree that:

- Teachers on their team or grade level maintain positive relationships with students’ parents.
- Two-way communication between home and school is essential to effective education.

Percent who report that at least monthly:

- They use parents as school resources or volunteers.
