Engaging Families and Community

Communicating and working with parents

Parents and guardians are any school’s strongest allies for helping students achieve and thrive to their fullest potential. Robust two-way communication with students’ families cultivates a relationship between the home and the school that puts the families squarely on the school’s team when working with students.

- **Contact me if** my child does something well or improves
- **Responds to my concerns and requests** within a reasonable time

The percentage of students in the school whose parents responded to the SALT Survey
