The single most important aspect of a child’s education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.

### Percent of teachers who say they agree or strongly agree that:

- **The single most important aspect of a child’s education is having a good teacher.**
- Teachers overwhelmingly cite student success as their principal motivator.
- To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.
