The single most important aspect of a child's education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to schoolwide decision-making, and to anything that affects the welfare of their students.

### Recruiting and Supporting Teachers

**Greenwood School**

**Warwick District**

---

**Highly qualified teachers**

---

**SALT Survey findings and barriers to reform**

- This school
- R.I. elementary schools

* Too few responses to report
? Inadequate data submitted

---

**Teacher Participation Rates**
