Professional Development: Due to Article 31 and federal schoolwide monies we were able to host 8 math workshops, 2 tech. Workshops and 4 First Step workshops for teachers.

All Day ESL Kindergarten: We replaced the half day program with an all day program. Reading assessment scores increased and nine students (out of 26) were able to exit the program.

School Name Change: The school name has been changed to the Alan Shawn Feinstein Broad Street Elementary School. Mr. Feinstein has donated $100,000 to the school which will help to establish a theater program and purchase other supplies and equipment.

Financial information will appear at the individual school level in next year’s INFORMATION WORKS! This year, data collected from a sample of Rhode Island districts and schools will be available under separate cover.
