“In their own words”
Highlights from the school

* See Web for school goals

Technology-Created a modern information center by networking our computer lab and library to CD-ROM technologies and the Internet.
Community Service-A number of activities were held to benefit the House Of Hope, our local community shelter, including food drives, sports activities, penny wars and a marvelous production of Oliver at the Warwick Musical Theater.
School Improvement-Teams concentrated their efforts on information and strategies to transition to the middle level.

Financial information will appear at the individual school level in next year’s INFORMATION WORKS! This year, data collected from a sample of Rhode Island districts and schools will be available under separate cover.
