TESTING: Test scores in grades 1 and 2 continue to rise. The fourth graders scored above average on standardized tests in Reading and Writing. Our third, fourth, and fifth graders performed well above average on district testing.

SCHOOL IMPROVEMENT: The School Improvement Team refined its strategic plan using the data from the SALT survey and testing results, and implemented staff development activities to strengthen the program.

PARENT INVOLVEMENT: Through the efforts of teachers/Parent Teacher Group, students experienced a variety of cultural and fine arts programs. These programs helped our efforts to develop the whole child, academically, socially, emotionally, and physically.
