Leadership
Family Involvement:
School Improvement, Strategic Planning, and SCRAPs (our parent group). Parent group worked tirelessly to raise funds for a new playground.

Peer Mediation:
Several 5th graders devoted their lunch and rest times to be trained by Cumberland High School students as peer mediators.

Information Works!
School Year 1998-1999

B.F. Norton Elementary School

In their own words

Selected school indicators

Selected SALT survey findings

Teacher Responses

Background:
Teachers' attitudes
(What we believe)

Foreground:
Teachers' practices
(How often we do it)

STAFF: Many staff participated in several learning opportunities. In response to SALT Survey data and assessment results, professional development in the areas of writing and math problem solving were the focus for staff inservice.

FAMILY INVOLVEMENT: Parent support and involvement continues to be an area of strength, particularly in the areas of School Improvement, Strategic Planning and SCRAPs (our parent group). Parent group worked tirelessly to raise funds for a new playground.

PEER MEDIATION: Several 5th graders devoted their lunch and rest times to be trained by Cumberland High School students as peer mediators.
