**Computer Technology:** Through grant funds, we have been able to put 8 new computers in the library and 8 in the 5th and 6th grades. Wiring was also installed to connect each classroom to the Internet.

**Create-a-Story:** Parents and teachers worked together after school with children, helping them write their own stories and draw pictures to go with it. These were sent to a publisher who put them into hard copy.

**Whealan Field Day:** We held our first Field Day this year on the last day of school. Parents and teachers organized and coordinated the days’ events. Everyone had a great time.
