Alternate Learning Project

FUNDING: ALP will be included in Providence’s bond issue to provide funding for the construction of a library media center.

STUDENTS: The Alternate Learning project will partner with Bryant College’s LITE Program to learn about the uses and benefits of the International Trade Data Network serving to educate students in the industries and trade practices of foreign countries.

COMMUNITY: A clothing drive was held for Amos House and other shelters. Later, with funding and donations from Fleet, our adopter, ALP provided Interim House with Christmas baskets, food, and toys.
