STANDARDS: Off-year math and reading testing was done with grade 2 students using the Harcourt Brace "Stanford Nine" performance-based test. Results will be used to make future teaching and learning plans.

AFTER-SCHOOL PROGRAM: Our after-school program will be expanded. What was previously mostly a recreation program will now include academics, tutoring, music, art and writing opportunities for all children. We hope to begin in January 2000.

EFFECTIVE SCHOOLS: Our school will join in with a district effort to improve, by implementing changes recommended by an "Effective Schools" initiative.

Selected SALT survey findings

Teacher Responses

Background: Teachers' attitudes (What we believe)

Foregound: Teachers' practices (How often we do it)

Students receive assignments to read materials other than textbooks

Students use the media center and/or library

Students revise assignments based on assessment feedback

Mathematical concepts & reasoning are integrated into lessons

Students use charts, graphs & diagrams as part of assignments
