Highlights from the school

The Pine Ridge Indian Reservation Project: a student run outreach to Little Wound School in South Dakota through the Dept. of Educ. and Jan Paschal. Students sent a full, 18 wheel truck-load of warm clothing, toys, and books.

Phase II of the Essential Learnings Curriculum Revision was completed for our 100 courses. During Phase II, five performance tasks were identified for each of the 10 essential learnings established (Phase I) for each course we offer.

We are nearing the end of our major renovation project. The new facility will increase classroom space and add an auditorium, gym and music area. Although we have made sacrifices over the past two years, we anticipate an exciting school opening (2001).
