In their own words

Report Out Night-Students and staff provided an opportunity for parents to experience the curriculum and the type of questions students respond to on state assessments.

In January, West Kingston School hosted parenting expert, John Rosemond, for two presentations. He addressed district staff at an afternoon session and community parents during an evening presentation.

This June fourth grade classes performed the historical story "The Castaways". A play about the orphan trains of the late 1800's and early 1900's. It was a learning experience for the performers and the audience.
