School Climate

Student responses from the SALT Survey

In this school, the state does not administer the survey used to produce this part of the report.

Parental Involvement

Percent of parents reporting that they feel this school “does well” in the following areas:

- Tells me how my child is doing in school
- Tells me what skills my child needs to learn
- Explains how to check my child's homework
- Assigns homework that requires my child to talk with me about things learned in class

Percent of teachers reporting that . . .

- over 50% of the parents of their students regularly attend scheduled parent-teacher conferences
- they have at least “some” contact with the students’ families
