The single most important aspect of a child’s education is having a good teacher. And teachers overwhelmingly cite student success as their principal motivator. To be maximally effective, teachers need to feel sure that their professional judgment is always vital to school improvement, to school-wide decision-making, and to anything that affects the welfare of their students.

**Teacher Participation Rates**

- **2001-02**: This school — 70%, The state — 50%
- **2002-03**: This school — 80%, The state — 60%
- **2003-04**: This school — 90%, The state — 70%
